

## Make Your Child A Winner

by Victor B. Cline

**How to Make Your Child a Winner**-Victor B. Cline 2000-10 What do you do when you catch your child in a lie? How do you handle sibling rivalry? Teasing? Whining? Bedwetting? How do television and the Internet affect your family? What can you do to raise your children's IQ, to safeguard their mental health, to teach them effective social skills? This insightful book by Dr. Victor B. Cline is filled with answers to these and a variety of other parenting questions. "Life in any family, great or humble, is a mix of joy, frustration, fun, tears", writes Dr. Cline. "The ideal family does not shelter its children from that mix. Rather, good parents will train their children to be able to cope with life's problems sensibly and well". Every parent could use a hand in that training process, and How to Make Your Child a Winner is a reliable source of help.

by Dr. Pradeep Kapoor

**Make Your Child A Winner**-Dr Pradeep Kapoor Whether as parents, grandparents or teachers, we interact with children on a regular basis. Make Your Child a Winner attempts to qualitatively improve this interaction. On one hand it provides new insights into the art of parenting. On the other it reinforces the good practices prevalent in society. The book contains useful information regarding the process of development in a child and the role of parents in augmenting it. There are chapters on effective communication, discipline, on tackling homework, instilling leadership qualities, on building self-esteem, illnesses and child abuse.

**Make Your Child a Winner in School**-Rayma Beebe Kreider 1993

by Ravi Mahendra

**Winner Kids**-Ravi Mahendra 2016-02-02 This is the story of a successful father describing his approach to parenting, making us think and consider what will make our children happy and successful individuals. Ravi Mahendra is a father of three young girls and he is passionate about parenting. He has personally gone on a journey of learning and developing the relationship between him and his daughters. Ravi delights in seeing his children become bigger and better individuals. Ravi believes passionately that parenting is about dedication and focus. The book is based on the principle that you are the best teacher for your children; you can pass on your knowledge and experience to help to support the best development of your child. The parent is the figure of authority, with immense responsibility for decisions regarding the children. This book draws out the benefits of really pro-actively grasping the responsibility and making the decisions rather than running with the flow. The real strength of this book lies with the thought process on determining priorities, characteristics and values that will produce successful children. It will inspire you to look at your parenting approach with a fresh set of eyes and help you to succeed on your chosen path. The book uses well-chosen examples from the world of business, politics and historical figures to really illustrate what success means and what needs to be done to achieve it. Ravi uses connection of business ideas and stories with parenting to bring a fresh perspective on children's upbringing. . The book is drawing interesting connection from management and business theories to really focus on children leading successful lives. At a practical level, the book offers a vast array of examples on managing the prosaic day-to-day issues. Unless the practical challenges are resolved, it becomes very difficult to manage the more advanced parenting questions. Ravi does a great job in visualising the impact of our actions now on the children in the future. Ravi Mahendra lives with his three daughters in London. His career spans many areas: he has built a renowned business school in his native Sri Lanka, written business columns for newspapers and is a prize-winning Qualified Accountant with an MBA. Ravi is currently working as Global Finance leader in a large insurance organisation and he is also a regular blogger on Linkedn. His aim is to live life to the fullest and to raise his children as successful and content individuals.

by John Croyle

**Bringing Out the Winner in Your Child**-John Croyle 2003 Croyle's life is an inspiring story of an All-American defensive end whose love for children prompted his coach, Bear Bryant, to advise him to ""forget about pro football and follow your dream."" Croyle challenges parents to love their children enough to make the changes needed to provide a stable, peaceful home.

by Naomi Klein

**Hold on to Your Kids**-Gabor Maté 2019-01-03 ‘Maté’s book will make you examine your behaviour in a new light’ Guardian ‘bold, wise and deeply moral. [Maté] is a healer to be cherished’ Naomi Klein, author of No Logo and The Shock Doctrine Children take their lead from their friends: being ‘cool’ matters more than anything else. Shaping values, identity and codes of behaviour, peer groups are often far more influential than parents. But this situation is far from natural, and it can be dangerous – it undermines family cohesion, interferes with healthy development, and fosters a hostile and sexualized youth culture. Children end up becoming conformist, anxious and alienated. In Hold on to Your Kids, acclaimed physician and bestselling author Gabor Maté joins forces with Gordon Neufeld, a psychologist with a reputation for penetrating to the heart of complex parenting. Together they pinpoint the causes of this breakdown and offer practical advice on how to ‘reattach’ to sons and daughters, establish the hierarchy at home, make children feel safe and understood, and earn back your children’s loyalty and love. This updated edition also addresses the unprecedented parenting challenges posed by the rise of digital devices and social media. By helping to reawaken our instincts, Maté and Neufeld empower parents to be what nature intended: a true source of contact, security and warmth for their children.

by Shauna Tominey

**Creating Compassionate Kids: Essential Conversations to Have with Young Children**-Shauna Tominey 2019-01-08 Young children can surprise us with tough questions. Tominey’s essential guide teaches us how to answer them and foster compassion along the way. If you had to choose one word to describe the world you want children to grow up in, what would it be? Safe? Understanding? Resilient? Compassionate? As parents and caregivers of young children, we know what we want for our children, but not always how to get there. Many children today are stressed by academic demands, anxious about relationships at school, confused by messages they hear in the media, and overwhelmed by challenges at home. Young children look to the adults in their lives for everything. Sometimes we’re prepared... sometimes we’re not. In this book, Shauna Tominey guides parents and caregivers through how to have conversations with young children about a range of topics-from what makes us who we are (e.g., race, gender) to tackling challenges (e.g., peer pressure, divorce, stress) to showing compassion (e.g., making friends, recognizing privilege, being a helper). Talking through these topics in an age-appropriate manner—rather than telling children they are too young to understand—helps children recognize how they feel and how they fit in with the world around them. This book provides sample conversations, discussion prompts, storybook recommendations, and family activities. Dr. Tominey’s research-based strategies and practical advice creates dialogues that teach self-esteem, resilience, and empathy: the building blocks for a more compassionate world.

by Susan Urban

**How To Create Order In Your Child's Room**-Susan Urban 2016-11-26 Bust the myth that chaos is a part of having a baby that you have to accept! „How to create order in your child’s room” is the perfect guide to help you maintain some tidiness and organization in kid’s bedroom. Read this book, apply the rules and you will never get frustrated when coming into your child’s room again. WHY DO YOU NEED THIS BOOK? Becoming a parent means that you have little time to spare and less time to be organized. That is why you need a new system, like the one in this book. It is a detailed system, that is easy to apply and enjoyable for the kid. It also makes it faster for you when you need to find something. WHAT WILL YOU LEARN? The Box System presented in this guide can help you find a new way of keeping things in specific order. Also, you will learn how to talk a kid into cleaning up after playtime. It is a concise and yet instructive book on the most important steps you should take, including information on: - How to be better organized - Why consistency is so important - What is The Box System - How to apply Small Steps Method - How to manage time more efficiently - When and how to praise your child And much more. Every chapter has extra tips for you and your family. There is also part of telling you what mistakes to avoid. WHEN TO READ AND WHEN TO START? Children under two years old cannot distinguish order from clutter. However, it is important to apply good habits at an early age. Knowing and ntroducing the method earlier will build a good routine to follow. It is a short read but can change your house harmony forever. Get your copy of “How to Create Order in Your Child’s Room” now and enjoy the advantages of an orderly child’s room starting today.

by Idan Hadari

**Winner**-Idan Hadari 2018-04-17 Are your children affected by TV and the internet? Would they like to be famous as soon as possible? Are they impatient about life in general (I want this and right now!)? Are they unaware of their gifts? Are they dreamers, but don't have enough faith? I have the solution for both you and your children, portrayed in a touching and great bedtime story. More about this Children's Book: Just like in my other bestseller books (Noah's Petting Zoo and Just The Way I Am ), I will teach your children: \* How to be patient kids \* How to be self-motivated kids \* How to be self confidence kids \* How to self improve kids \* How to help one's fellow man \* How to help the animals (cats and dogs) \* How to believe in yourself and to dream (Self-Esteem & Self-Respect) \* Good deeds bring about good results in return This children's book is a touching story, full with all sort of feelings & emotions that you can share with your child. The story is with a simple rhyming text for children ages 2-8. Only for this month!

by Kevin Leman

**It's Your Kid, Not a Gerbil!**-Kevin Leman 2011 Do you sometimes feel like a gerbil running on a wheel inside a cage as you scurry from place to place, chauffeuring your children from one endless activity to another? What if, for one moment, you could just step off of the wheel . . . and relax? How would you feel then? And what if that single moment could stretch into an hour, or even a whole day? It's Your Kid, Not a Gerbil will provide practical solutions and helpful insight to get off the activity wheel so that you can put your time and energies where they really count: in establishing strong character and a love for home and family that will serve your kids well for a lifetime.

by Eileen Kennedy-Moore

**Smart Parenting for Smart Kids**-Eileen Kennedy-Moore 2011-01-20 WINNER! Mom's Choice Gold Award for parenting books -- Mom's Choice Awards: The best in family-friendly media "My kid is smart, but..." It takes more than school smarts to create a fulfilling life. In fact, many bright children face special challenges: Some are driven by perfectionism; Some are afraid of effort, because they're used to instant success; Some routinely butt heads with authority figures; Some struggle to get along with their peers; Some are outwardly successful but just don't feel good about themselves. This practical and compassionate book explains the reasons behind these struggles and offers parents do-able strategies to help children cope with feelings, embrace learning, and build satisfying relationships. Drawing from research as well as the authors' clinical experience, it focuses on the essential skills children need to make the most of their abilities and become capable, confident, and caring people.

by Julia Cook

**Winners Don't Whine and Whiners Don't Win**-Julia Cook 2016-07-06 A Book About Good Sportmanship. "But I HATE losing! GEEEEZE!" Wendell HAS to win at everything, and if he doesn't, he whines about it. When Wendell has one of those days where nothing seems to go his way, his mom helps him understand that everything in life doesn't have to be a contest and losing does not make you a loser. In fact, it can make you stronger! She also points out that although it feels great to celebrate a win, winning isn't everything, and whining about things just makes it worse. "Whiners aren't winners, and winners never whine. You can't win at everything all of the time!" This creative story addresses two very challenging topics: winning and whining.

by Robert Gordon

**The Turned-off Child**-Robert Gordon 2006 Do you have a child, or know of a child, who is failing in school because he or she has "turned off" to the learning process? These children need to have their negative thinking, problems, and behaviors changed in order to rid themselves of anger, depression, and other learning obstacles and to become happy and successful students with a positive outlook. Robert and Myrna Gordon have more than thirty years of experience as classroom teachers, resource specialists, and educational therapists—they know what works! Trust them and The Turned-Off Child to inform you about the ways you can see the troubled child become a winner!

by Orange Coast Magazine

**Orange Coast Magazine**- 1977-12 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. by Sarah Owen / Gardner

**The Complete guide to pregnancy and child care - The baby manual - PART TWO**-Sarah Owen / Gardner 2015-03-07 They say babies don't come with instruction manuals, I tried to change this - this guide will be as close to one as you will get. It will answer questions that you hadn't even thought of. It focuses on conception to 3 years. They say babies don't come with instruction manuals, this guide will be as close to one as you will get It also has sections for you to record your journey and keep as a keepsake, making it an invaluable 2-in-1 complete guide/reference book, that you can keep referring to and a memory book, to keep forever. This book is in 2 parts this is part one. You will also need to purchase part two for the complete book (it is too large to publish as one book).

by Renu Saran

**51 Children Winners of National Bravery Award**-Renu Saran 2014-02-08 "I knew I was going to lose my sister and began to shiver. Then, I told myself that I had to risk my life in order to save my sister. I hit the hungry animal with the plate several times. Eventually, it left my sister and ran towards the fields. I was able to save my sister and earned a moment of pride," says Mahima, with a twinkle in her eyes. This is the story of Mahima Tiwari, one of the brave girls of India who had been awarded with the prestigious Geeta Chopra Award in 2004. Her commendable act gives strength to many other children of her age to emulate. A brief glimpse into the lives of these courageous kids who deserve to be honored and remembered for their unsurpassable acts, is being presented through this book. We have tried to make this book knowledgeable and interesting by covering inspirational stories of kids across the nation. Hope our esteemed readers will appreciate our attempt to laud the sacrifice of these brave children who are the winners of various National Bravery Awards of India.

by Christopher McCurry

**Parenting Your Anxious Child with Mindfulness and Acceptance**-Christopher McCurry 2009-03-03 We live in a chaotic and often unpredictable world, so it's only natural for you and your child to have anxieties. But seeing your child cry, cling to you, or even use aggression to avoid his or her own fears and worries may cause you to worry even more, trapping both of you in a cycle of anxiety and fear. You can interrupt this cycle with the proven-effective mindfulness and acceptance skills taught in this book. Drawn from acceptance and commitment therapy, Parenting Your Anxious Child with Mindfulness and Acceptance offers a new way to think about your child's anxiety, as well as a set of techniques used by child psychologists to help children as young as four let go of anxious feelings and focus instead on relationships with friends, learning new things in school, and having fun. You'll learn these techniques, use them when you feel anxious, and teach them to your child. With practice, you both will let go of anxious feelings and your child will find the confidence to enjoy being a kid.

by Marcia L. Tate

**Preparing Children for Success in School and Life**-Marcia L. Tate 2011-08-02 Award-winning Marcia L. Tate provides a research-based road map for raising children to reach their fullest potential and strategies for helping young brains “grow dendrites.”

by Douglas, Mack R.

**How to Win with High Self-Esteem**-Douglas, Mack R. 1995

by Ricki Linksman

**Solving Your Child's Reading Problems**-Ricki Linksman 1998-03 Whether a child is passing through a temporary crisis with current work, or has fallen weeks, months, even years behind in reading, this guide will show how a child can be brought back up to grade level. It is also useful for parents who want to give beginning readers a head start, or accelerate their children's current reading skills.

by Maggie Reigh

**9 Ways to Bring Out the Best in You & Your Child**-Maggie Reigh 2004 This book is for every parents who recognises parenting as an important job in their life. It is a book about raising children full of spirit and life, and teaching them to be caring human beings. But it is also about parents learning how to empower themselves and their children and how to turn their power struggles into powerful relationships. This book offers nine valuable chapters on raising children who are respectful, responsible and resilient. Combining profound insights with practical ideas, this book will show parents how to encourage children to develop the courage to discover their own strengths and offer their gifts to others. The book is full of stories and examples that bring parenting tools and concepts to life. Parenting is a matter of the heart, it offers us the personal and spiritual growth opportunity of a lifetime, and this book allows parents to take full advantage of this opportunity while bringing out the best in their child.

by Harvey Karp, M.D.

**The Happiest Baby on the Block and The Happiest Toddler on the Block 2-Book Bundle**-Harvey Karp, M.D. 2012-06-18 Attention parents and grandparents, nurses and nannies: If the child in your life is under five, this convenient eBook bundle is for you. From respected pediatrician and child development expert Dr. Harvey Karp, national bestsellers The Happiest Baby on the Block and The Happiest Toddler on the Block will help you calm a crying baby, survive the “Terrible Twos,” and much more, resulting in more loving time for you and your child. THE HAPPIEST BABY ON THE BLOCK The New Way to Calm Crying and Help Your Newborn Baby Sleep Longer “The best way I’ve ever seen to help crying babies.”—Steven P. Shelov, M.D., editor in chief, American Academy of Pediatrics’ Caring for Your Baby and Young Child With Dr. Karp’s sensible advice, you will be able to soothe even the fussiest infants and increase their sleep. His highly successful method is based on four revolutionary concepts: The Fourth Trimester (re-creating the womblike atmosphere your newborn still yearns for), The Calming Reflex (an “off switch” all babies are born with), The 5 S’s (five easy methods to turn on the calming reflex), and The Cuddle Cure (combining the 5 S’s to calm even colicky babies). THE HAPPIEST TODDLER ON THE BLOCK How to Eliminate Tantrums and Raise a Patient, Respectful, and Cooperative One- to Four-Year-Old “An informative and engaging romp about toddlers. Roll over, Dr. Spock.”—The New York Times Dr. Karp provides fast solutions for molding toddler behavior by combining his trademark tools of Toddler-ese and the Fast-Food Rule with a highly effective new green light/yellow light/red light method. As you learn how to boost your child’s good (green light) behavior, curb his annoying (yellow light) behavior, and immediately stop his unacceptable (red light) behavior, you will be able to alleviate stormy outbursts with amazing success—and better yet, prevent these tantrums before they begin.

by Penny Tassoni

**Understanding Children's Behaviour**-Penny Tassoni 2018-09-20 Many Early Years settings are taking in children for longer periods and at a younger age. However, their day-to-day practice has not necessarily changed and instead leads to the 'management' of behaviour, rather than investigating why the behaviour is taking place. Through a combination of practice, theory and reflection, leading Early Years education consultant Penny Tassoni explores children's behaviour from a child-centred point of view. In doing so, she shows how, over time, children learn to be with others and the strategies that adults can use to positively support this development. Understanding Children's Behaviour is a practical handbook that is accessible and adaptable for Early Years practitioners looking to support children's behaviour by focusing on their personal and social skills. It includes a useful A-Z problem-solving section about dealing with unwanted behaviours for analysis and to guide practice.

by Claire Adam

**Golden Child**-Claire Adam 2019-01-15 WINNER OF THE DESMOND ELLIOTT PRIZE 2019 LONGLISTED FOR THE EDINBURGH FESTIVAL FIRST BOOK AWARD It's dark now; the bats are out. Insects knock against the light on the patio and the dog sits at the gate. A boy has not returned home and a family anxiously awaits. A father steps out into the night to search for his son. As the hours turn into days, this man will learn many things. He will learn about being a father to twin boys who are in no way alike. He will learn how dangerous hopes and dreams can be. He will learn truths about Trinidad, about his family, and himself. He will question received wisdom and question his judgement. He will learn about sacrifice and the nature of love - and he will be forced to act. Claire Adam's electrifying first novel reckons with the secrets of the human heart. It tells a story about wanting more for our children; it casts its spell with uncommon wisdom and grace.

**Winner Take All**-Molly Murphy 2010-03 Are you a man who still believes that today's system of family law will guarantee you a fair and amicable separation if you get divorced? If so this book will shatter your world. The reality is that every day, men scream of discrimination at the hands of family law, of being financially extorted by our legal system to the point of poverty and being routinely denied access to their children. Judges, lawyers, politicians, and even some ex-wives scoff at this notion. So who's telling the truth? But more importantly, who's hiding it? The book "Winner Take All" lets you be the judge, by giving you a front-row perspective into the actual divorces of three men. Walk with them on their journeys, witness raw human emotion, bankruptcy, attempted murder, and much more. With more twists than a good murder mystery, this is definitely family law exposed as never before. "A powerfully written and emotionally moving book which exposes the injustice, pain, and human suffering that lies at the heart of our broken family law system." - Barbara Kay, columnist, National Post Visit our website at [www.changefamilylaw.com](http://www.changefamilylaw.com)

**Step by Step Help for Children with ADHD**-David Daley 2011-01-15 Raising a child with ADHD can be distressing and exhausting for the whole family. But given the appropriate knowledge, and the right tools, parents can intervene to manage their child's behaviour, leading to improved relationships at home and, it is hoped, a more successful time at school. This simple, flexible six-step programme is full of tried-and-tested ideas for parents and professionals supporting families of young children with ADHD. By practicing the techniques and strategies, parents will gain confidence in their parenting and, over time, will improve the child's management of the condition. The programme includes games that will help improve the child's attention, exercises to develop patience and tips for supporting the child in successful self-organization. There are also plenty of useful ideas for developing communication between parents and schools. Based on research and extensive clinical experience, Step by Step Help for Children with ADHD will help families to adapt their parenting to the child, improving relationships and behaviours in the home and at play group.

**Beat Sugar Addiction Now! for Kids**-Jacob Teitelbaum 2012-08-01 The modern American child's diet is awash in sugar—including mainstays such as juice, chocolate milk, sugary cereals, soda, energy drinks, and fast-food burgers and nuggets with added corn syrup and sweeteners, let alone candy and cookies prevalent at school parties and play dates. Beat Sugar Addiction Now! for Kids gives parents a proven 5-step plan for getting and keeping their child off sugar. Bestselling author and noted physician Dr. Jacob Teitelbaum and pediatric nutrition specialist Deborah Kennedy, Ph.D., give parents a toolkit for avoiding the common pitfalls such as guilt and temper tantrums, managing the 5-step process successfully on a day-to-day basis, and getting their child emotionally, as well as physically, unhooked from sugary drinks, breakfast foods, snacks, and desserts, as well as "hidden" sugars in foods.

**Raising Your Child, Not by Force But by Love**-Sidney D. Craig 1981-04-15 A clinical psychologist offers advice designed to improve parent-child relationships through the application of Judeo-Christian teachings

**Practical Parenting Tips**-Vicki Lansky 2011-12 When you are in search of quick ideas to make your parenting life smoother, Vicki will have a suggestion for you. **Grandparent Catalog**-Charles Slaybaugh 1986

**Your Child's Adolescence! You Survive, They Thrive!**-Robert Harding M. Ed. 2018-08-14 Your Child's Adolescence! You Survive, They Thrive! covers the physical, intellectual, social, and emotional changes that occur in adolescence. It will explain my Life Model, how your attitude affects your choices, how your choices affect your relationships, and how your relationships affect your attitude. It will explore the idea of circumstances versus vision. It includes goal setting and the importance of self-confidence and how to develop a positive attitude. The book teaches the importance of respecting authority, the power and consequences of choice making, and the influence of relationships. It will help you understand the challenges of negative peer pressure, and the book also explains how to be successful in school. My goal for you is not only will your adolescent survive their journey, but they will thrive through this journey of change and development.

**Winner: My Racing Life**-A.P. McCoy 2015-11-05 Fully updated with a new chapter on A.P.'s knighthood, the BBC Sports Personality of the Year Lifetime Achievement award and his new role as a TV pundit When Tony 'A.P.' McCoy announced his retirement from racing, the shockwaves reverberated across the world of sport. With more than 4,300 winners to his name, McCoy seemed to be at the peak of his powers when he suddenly brought down the curtain on an extraordinary career. But then A.P. McCoy has always done things his way. In Winner: My Racing Life, AP reflects upon his unparalleled career, taking the reader from his humble beginnings in County Antrim to the emotional day at Sandown when horse racing bade a tearful farewell to arguably its greatest ever star. McCoy relates in forensic detail the process that led to his decision to retire, recalls some of his greatest rides, lifts the lid on his family life and looks ahead to a future no longer driven by the constant pursuit of victory. The result is a remarkable insight into the private and public life of a true winner.
