morphological approach. Morph Mastery combines this exciting new approach with tried-and-tested teaching methods that work. The activities in this book follow three engaging ninja-like characters, Prefx, Root and Sufx, who represent the three core components of morphology (prefixes, root words and suffixes) and use their sceptres to craft words. Key features include: • Exciting and engaging activities and games, designed to be used by individuals or small groups • Detailed, curriculum-linked assessments, enabling specific target setting • Photocopiable and downloadable activity sheets and resources Written in a user-friendly tone, for teaching assistants, teachers and other professionals with little or no specialist knowledge, this book is a must for any school with struggling readers and writers aged 9-11.

Mastering Sixth Grade Skills

Mastering Sixth Grade Skills takes a fresh approach to the mastery of grade-specific skills. Each book uses a wide range of activities to spark students' interest in learning. As students complete the activities, they develop the skills they need to meet academic standards in reading, writing, math, social studies and science.
