Willa Cather and the American Southwest John N. Swift 2002-01-01 The American Southwest was arguably as formative a landscape for Willa Cather's aesthetic vision as was her beloved Nebraska. Both landscapes elicited in her a sense of raw incompleteness. They seemed not so much finished places as things unassembled, more like countries "still waiting to be made into [a] landscape.? Cather's fascination with the Southwest led to its presence as a significant setting in three of her most ambitious novels: The Song of the Lark, The Professor's House, and Death Comes for the Archbishop. This volume focuses a sharp eye on how the landscape of the American Southwest served Cather creatively and the ways it shaped her research and productivity. No single scholarly methodology prevails in the essays gathered here, giving the volume rare depth and complexity.

The British National Bibliography Arthur James Wells 2002
Edgar Allan Poe and the Dupin Mysteries R. Kopley 2008-11-10

Offering archival study and biographical analysis, as well as a reprint of the three stories, this book is an insightful and useful guide for students and experts alike.

Edith Wharton, Willa Cather, and the Place of Culture Julie Olin-Ammentorp 2019-10 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century, including Wharton's The House of Mirth, Ethan Frome, and The Age of Innocence, and Cather's O Pioneers!, My Ántonia, and Death Comes for the Archbishop. Yet despite their perennial popularity and their status as major American novelists, Wharton (1862-1937) and Cather (1873-1947) have rarely been studied together. Indeed, critics and scholars seem to have conspired to keep them at a distance: Wharton is seen as "our literary aristocrat," an author who chronicles the lives of the East Coast, Europe-bound elite, while Cather is considered a prairie populist who describes the lives of rugged western pioneers. These depictions, though partially valid, nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect. The first comparative study of Edith Wharton and Willa Cather in thirty years, this book combines biographical, historical, and literary analyses with a focus on place and aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation, their relationship to each other as writers, and the profound similarities in their theories of fiction. Julie Olin-Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works, including the role of New York City, the American West, France, and travel. In doing so she reveals the two authors' shared concern about the culture of place and the place of culture in the United States.

Canons by Consensus Joseph Csicsila 2004-08-17 "Canons by Consensus" is first systematic analysis of American literature textbooks used by college instructors in the last century.

A Smaller History of English and American Literature Thomas Budd Shaw 1870

American Book Publishing Record 2002
The Oxford Handbook of Edgar Allen Poe J. Gerald Kennedy 2019-01-08
No American author of the early 19th century enjoys a larger international audience than Edgar Allan Poe. Widely translated, read, and studied, he occupies an iconic place in global culture. Such acclaim would have gratified Poe, who deliberately wrote for "the world at large" and mocked the provincialism of strictly nationalistic themes. Partly for this reason, early literary historians cast Poe as an outsider, regarding his dark fantasies as extraneous to American life and experience. Only in the 20th century did Poe finally gain a prominent place in the national canon. Changing critical approaches have deepened our understanding of Poe's complexity and revealed an author who defies easy classification. New models of interpretation have excited fresh debates about his essential genius, his subversive imagination, his cultural insight, and his ultimate
impact, urging an expansive reconsideration of his literary achievement. Edited by leading experts J. Gerald Kennedy and Scott Peeples, this volume presents a sweeping reexamination of Poe's work. Forty-five distinguished scholars address Poe's troubled life and checkered career as a "magazinist," his poetry and prose, and his reviews, essays, opinions, and marginalia. The chapters provide fresh insights into Poe's lasting impact on subsequent literature, music, art, comics, and film and illuminate his radical conception of the universe, science, and the human mind. Wide-ranging and thought-provoking, this Handbook reveals a thoroughly modern Poe, whose timeless fables of peril and loss will continue to attract new generations of readers and scholars.

American Fiction Between the Wars Harold Bloom 2009-01-01 America in the 1920s and '30s saw the emergence of some of the best known writers of the modern generation: John Steinbeck, Ernest Hemingway, and William Faulkner.

The Nathaniel Hawthorne Review 2001

The Mark Twain Annual 2006

Poe and the Subversion of American Literature Robert T. Tally, Jr. 2014-01-16 Choice Outstanding Academic Title 2014 In Poe and the Subversion of American Literature, Robert T. Tally Jr. argues that Edgar Allan Poe is best understood, not merely as a talented artist or canny magazinist, but primarily as a practical joke who employs satire and fantasy to poke fun at an emergent nationalist discourse circulating in the United States. Poe's satirical and fantastic mode, on display even in his apparently serious short stories and literary criticism, undermines the earnest attempts to establish a distinctively national literature in the nineteenth century. In retrospect, Poe's work also subtly subverts the tenets of an institutionalized American Studies in the twentieth century. Tally interprets Poe's life and works in light of his own social milieu and in relation to the disciplinary field of American literary studies, finding Poe to be neither the poète maudit of popular mythology nor the representative American writer revealed by recent scholarship. Rather, Poe is an untimely figure whose work ultimately makes a mockery of those who would seek to contain it. Drawing upon Gilles Deleuze's distinction between nomad thought and state philosophy, Tally argues that Poe's varied literary and critical writings represent an alternative to American literature. Through his satirical critique of U.S. national culture and his otherworldly projection of a postnational space of the imagination, Poe establishes a subterranean, nomadic, and altogether worldly literary practice.

Tales, Speeches, Essays, and Sketches Mark Twain 1994-09-01 These short fiction and prose pieces display the variety of Twain's imaginative invention, his diverse talents, and his extraordinary emotional range. Twain was a master of virtually every prose genre; in fables and stories, speeches and essays, he skillfully adapted, extended or satirized literary conventions, guided only by his unruly imagination. From the comic wit that sparkles in maxims from 'Pudd'nhead Wilson's Calendar,' to the parodic perfection of 'An Awful - Terrible Medieval Romance,' to the satirical delights of The Innocents Abroad and Roughing It: from the warm nostalgia of 'Early Days' to the bitter, brooding tone of 'The Man That Corrupted Hadleyburg' to the anti-imperial vehemence of 'To the Person Sitting in the Darkness' and the poignant grief expressed in 'Death of Jean', Twain emerges in this volume in many guises, all touched by genius. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

It's Nothing, Seriously John McGreal 2016-04-21 It's Silence, Soundly, It's Nothing, Seriously and It's Absence, Presently, continue The 'It' Series published by Matador since The Book of It (2010). They constitute another stage in an artistic journey exploring the visual and aural dialectic of mark, word and image that began over 25 years ago. In their aesthetic form the books are a centred trilogy united together in a new concept of The Bibliograph. All three present this new aesthetic object, which transcends the narrow limits of the academic bibliography. The alphabetical works also share a tripartite structure and identical length. The Bibliograph itself is characterised by its strategic place within each book as a whole as well as by the complex variations in meaning of the dominant motifs – nothing/ness, absence and silence – which recur throughout the alphabetical entries that constitute the elements of each text. It's Nothing, Seriously, for example, addresses the amusing paradox that so much continues to be written today about – nothing! The aleatory character of the entries in the texts encourage the modern reader to reflect on each theme and to read them in a new way. The reader is invited as well to examine their various inter-textual relations across given conventional boundaries in the arts and sciences at several levels of physical, psychical & social reproduction.

American Literary Scholarship James Leslie Woodress 2001

American Literary Gazette and Publishers Circular 1864

Constructing Mark Twain Laura E. Skandera Trombley 2011-09 The thirteen essays in this collection combine to offer a complex and deeply nuanced picture of Samuel Clemens. With the purpose of straying from the usual notions of Clemens (most notably the Clemens/Twain split that has ruled Twain scholarship for over thirty years), the editors have assembled contributions from a wide range of Twain scholars. As a whole, the collection argues that it is time we approach Clemens not as a shadow behind the literary persona but as a complex and intricate creator of
stories, a creator who is deeply embedded in the political events of his time and who used a mix of literary, social, and personal experience to fuel the movements of his pen. The essays illuminate Clemens’s connections with people and events not usually given the spotlight and introduce us to Clemens as a man deeply embroiled in the process of making literary gold out of everyday experiences. From Clemens’s wonderings on race and identity to his looking to family and domesticity as defining experiences, from musings on the language that Clemens used so effectively to consideration of the images and processes of composition, these essays challenge long-held notions of why Clemens was so successful and so influential a writer. While that search itself is not new, the varied approaches within this collection highlight markedly inventive ways of reading the life and work of Samuel Clemens.

Literary Studies Walter Bagehot 1891

Nothing Abstract Tom Quirk 2001 Written by one of the leading scholars in the field, Nothing Abstract is a collection of essays gathered over the past twenty years—all of which, in some fashion, have to do with a genetic approach to literary study. In previous books, the author has traced the compositional histories of certain literary works, the course of individual careers, and the genesis of literary movements. In this book, Tom Quirk resists the direction taken by contemporary theory in favor of an approach to literature through source and influence study, the evolution of a writer’s achievement, the establishment of biographical or other contexts, and the transition from one literary era to another.

Coming to Grips with Huckleberry Finn Tom Quirk 1993 In Coming to Grips with HUCKLEBERRY FINN, Tom Quirk traces the history of The Adventures of Huckleberry Finn from its inception in 1876 to its problematic presence in today’s American culture. By approaching Twain’s novel from several quite different perspectives, Quirk reveals how the author’s imagination worked and why this novel has affected so many people for so long and in so many curious ways.

Choice 2001

American History Through Literature, 1870–1920 Tom Quirk 2006 This volume, organized from "addiction" to "Ghost stories," features articles on works, ideas, genres, aesthetics, events, places, societal values, and the history of publishing from 1870 to 1920.

American Studies International 2002

Richard Wright Keneth Kinnamon 2014-11-04 African-American writer Richard Wright (1908–1960) was celebrated during the early 1940s for his searing autobiography (Black Boy) and fiction (Native Son). By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever, and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author’s earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics.

Literary Studies: Preliminary memoir. The first Edinburgh reviewers (1855) Hartley Coleridge (1852) Percy Bysshe Shelley (1856) Shakespeare Walter Bagehot 1879

Tales of Soldiers and Civilians Ambrose Bierce 2000-02-01 Questing after Pancho Villa’s revolutionary forces, Ambrose Bierce rode into Mexico in 1913 and was never seen again. He left behind him the Devil's Dictionary and a remarkable body of short fiction. This new collection gathers some of Bierce’s finest stories, including the celebrated Civil War fictions ‘An Occurrence at Owl Creek Bridge’ and ‘Chickamauga’, his macabre masterpieces, and his tales of supernatural horror. Reminiscent of Poe, these stories are marked by a sardonic humour and a realistic study of tense emotional states. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Nineteenth-century Literature 2001 Contains articles which focus on a broad spectrum of significant figures in fiction, philosophy, and criticism such as Austen, Carlyle, Dickens,Thackeray, the Brontes, Tennyson, Browning, Arnold, Emerson, Hawthorne, Thoreau, Whitman, Twain, and Henry James.

The Student’s Handbook of British and American Literature Oliver Louis Jenkins 1876

Huck Finn Harold Bloom 2009-01-01 A critical examination of Mark Twain's character of Huckleberry Finn.

Mark Twain and Human Nature Tom Quirk 2013-09-13 Mark Twain once claimed that he could read human character as well as he could read the Mississippi River, and he studied his fellow humans with the same devoted attention. In both his fiction and his nonfiction, he was disposed to dramatize how the human creature acts in a given environment—and to understand why. Now one of America’s preeminent Twain scholars takes a closer look at this icon’s abiding interest in his fellow creatures. In seeking to account for how Twain might have reasonably believed the things he said he believed, Tom Quirk has interwoven the author’s inner life with his writings to produce a meditation on how Twain’s understanding of human
nature evolved and deepened, and to show that this was one of the
central preoccupations of his life. Quirk charts the ways in which this
humorist and occasional philosopher contemplated the subject of human
nature from early adulthood until the end of his life, revealing how his
outlook changed over the years. His travels, his readings in history and
science, his political and social commitments, and his own pragmatic
testing of human nature in his writing contributed to Twain’s mature view
of his kind. Quirk establishes the social and scientific contexts that clarify
Twain’s thinking, and he considers not only Twain’s stated intentions
about his purposes in his published works but also his ad hoc remarks
about the human condition. Viewing both major and minor works through
the lens of Twain’s shifting attitude, Quirk provides refreshing new
perspectives on the master’s oeuvre. He offers a detailed look at the travel
writings, including The Innocents Abroad and Following the Equator, and
the novels, including The Adventures of Tom Sawyer, Adventures of
Huckleberry Finn, and Pudd’nhead Wilson, as well as an important review
of works from Twain’s last decade, including fantasies centering on man’s
insignificance in Creation, works preoccupied with isolation—notably No.
44, The Mysterious Stranger and “Eve’s Diary”—and polemical writings
such as What Is Man? Comprising the well-seasoned reflections of a
mature scholar, this persuasive and eminently readable study comes to
terms with the life-shaping ideas and attitudes of one of America’s best-
loved writers. Mark Twain and Human Nature offers readers a better
understanding of Twain’s intellect as it enriches our understanding of his
craft and his ineluctable humor.

Uncertain Chances Maurice S. Lee 2013-06-06 Maurice Lee’s study
illustrates how writers such as Poe, Melville, Douglass, Thoreau,
Dickinson, and others participated in a broad intellectual and cultural shift
in which Americans increasingly learned to live with the threatening and
wonderful possibilities of chance.

The Portable Mark Twain Mark Twain 2004-11-30 Satirist, novelist, and
keen observer of the American scene, Mark Twain remains one of the
world’s best-loved writers. This delightful collection of Twain’s favorite and
most memorable writings includes selected tales and sketches such as
The Celebrated Jumping Frog of Calaveras County, How I Edited an
Agricultural Journal Once, Jim Baker’s Blue-Jay Yarn, and A True Story. It
also features excerpts from his novels and travel books (including
Roughing It, The Innocents Abroad, and Life on the Mississippi, among
others; autobiographical and polemical writings; as well as selected letters
and speeches. The collection also reprints the complete text of Adventures
of Huckleberry Finn, including the often omitted raftsmen passage. For
more than seventy years, Penguin has been the leading publisher of
classic literature in the English-speaking world. With more than 1,700
titles, Penguin Classics represents a global bookshelf of the best works
throughout history and across genres and disciplines. Readers trust the
series to provide authoritative texts enhanced by introductions and notes
by distinguished scholars and contemporary authors, as well as up-to-date
translations by award-winning translators.

Continuing Bonds with the Dead Harold K. Bush 2016-03-15 Continuing
Bonds with the Dead explores the redemptive literary achievements of five
nineteenth-century American authors who lost a son or daughter. In it,
Harold K. Bush illuminates America’s evolving cultural attitudes about
death and grief.
