No More Idols!-Crystal Y. Holt 2011-01-21 In 1996, as I looked through My rose-colored glasses at an image that appeared to reflect me I remember like it was yesterday, God spoke directly to me in a soft, gentle, audible and crystal clear voice and said It is not my will! NO MORE IDOLS! Written by Crystal Y. Holt LITTLE CHILDREN, KEEP YOURSELVES FROM IDOLS. AMEN. (1 JOHN 5:21). This word was quickened to my spirit in 1996, yet at that time I did not fully understand it. One might ask what exactly is an IDOL and how do you keep yourself from an IDOL? An IDOL is anything and everything you put before God! The rest is my story to tell

The Book of the Judges-Samuel Ridout 2015-04-15 The Book of Judges is a most important link between the earlier and later history of Israel. It gives the history of the passage of rule from the Theocracy of early times to the kings who continued till the time of the captivity. The unbelief and declension exhibited in this transition form the staple of the narrative, with the unrepenting patience of God who, spite of the utter incompetence and unbelief manifested by the people, comes in repeatedly to their succor. He is meanwhile manifesting His own purposes, which have their accomplishment alone in Christ, and which will be fulfilled, thanks to Himself, in the day now so near. But Israel stood for humanity in all their probation, and we may well expect that the moral principles involved here will be of the widest application to all who are in responsible relationship with God. As the book of Joshua abounds with typical narrative which applies in a most marked way to the blessings of Christianity, so this book will be found to carry the typical lessons further. They deal mainly with declension and recovery, and one can hardly fail to notice the resemblance between them and the prophetic history of the professing church, given in the second and third chapters of Revelation. If this be true, it will be seen at once that the book is of immense practical importance to the Church of Christ. Of the history of declension we are alas only too familiar from sorrowful experience. May it be ours to learn also more of the secret of recovery, and of divine power in days of universal ruin, through the instrument that is feeble enough, instances of which abound throughout the book. As has been said, it is a thoroughly practical book. If it has its proper effect, it will bring us, individually and unitedly, upon our faces at our "Bochim," there to find the tender mercy of One whose heart yearns over His beloved Church today with the same love that led Him to give His Son for its redemption. The ruin will never be rebuilt, and all must wait for the coming of our Lord. But how much testimony for God, how much quiet feeding the flock of Christ, and deliverance of His own from the enemy is yet possible for us if we but learn the lesson set before us in this book. The following lectures are an effort to set forth these lessons, in the hope that real fruit for God may result from their perusal. Much help, both in disposition and subject matter, has been received from the divisions and notes in the Numerical Bible, which, together with those on the book of Joshua, are of new and especial interest. Being here given in very much the form they were delivered in, the reader will find both the helps and blemishes of spoken discourse — a familiar and colloquial style easy to be understood, while there is a tendency to diffuseness which prevents the book from being a manual for study. If it stirs an interest, and points a lesson, the reader will be able to prosecute the study for himself. That our God may use this feeble effort to present His truth even as He used Shamgar's ox-goad and Gideon's lamps, is the prayer of the writer. S. Ridout.

JESUS, I Just Believe-Jesus CHRIST 2019-03-15 For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him.John 3:16-17 - HOLY BIBLE - New International VersionPraise JESUS CHRIST! Need added strength in your walk with CHRIST? Want to see the dreams JESUS CHRIST Has so Lovingly Placed within the recesses of your heart come to pass? The key, my friend, is to place your faith, hope, and love in and for our BLESSED SAVIOR, The LORD JESUS CHRIST! Keep believing in the LORD AND GOD, no matter what comes across the horizon of your life, and at ALMIGHTY JESUS CHRIST'S Appointed time you WILL see the manifestation of your CHRIST-GLORIFYING Dreams, Visuons, or Aspirations. Amen! Amen! " Enjoy! "Little children, keep yourselves from idols. Amen. " "The grace of our Lord Jesus Christ be with you all. Amen. "

Diego, California, and then returned to Anaheim. On a weekend in the middle of February he traveled to San Francisco, California. He returned to Anaheim and remained there until the middle of March, at which time he visited Denver, Colorado, and Albuquerque, New Mexico, for four days. During the entire month of April Brother Lee traveled to Stuttgart, Germany, and Copenhagen, Denmark, after which he visited Boston, Massachusetts, and New York City before returning to Anaheim. Brother Lee ministered in Seattle, Washington, over the Memorial Day weekend near the end of May, and he returned to Anaheim and remained there, except for a one-day visit to Fullerton, until the end of August. He then held a weekend conference in Cleveland, Ohio, after which he returned to Anaheim and ministered there until the middle of September. On the third weekend in September Brother Lee ministered in Spokane, Washington, and returned to Anaheim. On the first weekend in October he visited Berkeley, California, for two days, and then he returned to Anaheim, where he remained until the middle of October. He ministered in Miami, Florida, on the third weekend in October, and he remained there for rest through the second weekend in November. He returned to Anaheim and ministered there until the end of the year. The contents of this volume are divided into seven sections, as follows: 1. Sixteen messages given to the serving ones in the Living Stream Ministry office in Anaheim, California, on January 10 through November 13. These messages are included in this volume under the title Fellowship with Serving Ones. 2. Ten messages given in Stuttgart, Germany, on April 4 through 13. They were previously published in a book entitled The Heavenly Ministry of Christ and are included in this volume under the same title. 3. Twelve messages given in Stuttgart, Germany, on April 5 through 13, 1980, and in Anaheim, California, on April 17 and 18, 1981. They were previously published in a book entitled The Completing Ministry of Paul and are included in this volume under the same title. 4. Sixteen messages given in three conferences: five messages given in Copenhagen, Denmark, on April 18 through 20; five messages given in New York City on April 25 through 27; and six messages given in Seattle, Washington, on May 23 through 26. These messages were arranged into a seventeen-chapter book and were previously published under the title The Mending Ministry of John. They are included in this volume under the same title. 5. Five messages given in an elders' training in Anaheim, California, on June 23 and 24. They are included in this volume under the title The Experience of Christ Revealed in Philippians Meeting the Present Need of the Churches. 6. Four messages given to a group of leading brothers in Cleveland, Ohio, on August 29 through September 1. These messages are included in this volume under the title Presenting the Truth to Others, Responding to Opposition, and Fighting for the Lord's Recovery. 7. Eleven messages given in two conferences: seven messages were given in Tokyo, Japan, on October 14 through 17, 1984, and four messages were given in Anaheim, California, on November 27 through 30, 1980. These messages were previously published in a book entitled The Secret of Experiencing Christ and are included in this volume under the same title.

*From Icons to Idols*—David J. Davis 2017-01-26 In 1547, the young King Edward VI issued a series of religious injunctions that were intended to reform the Churches in England. Religious imagery was a tangible and permanent aspect of the landscape, both inside and outside churches. For many people, it was one of the first aspects of the Church to be reformed, and the degree to which it was reformed often was indicative of an individual's or community's theological leanings. Behind this destruction lay a longstanding debate over the nature, purpose, and appropriate uses of images, particularly in relation to worship and devotion. The Reformation lines between icon and idol, however, are much more difficult to identify than any single debate, event, or royal injunction would suggest. FromIcons to Idols tracks the image debate from the perspectives of both Protestants and Catholics across the period of religious change in England from 1525 to 1625. For scholars of the English Reformation, iconoclasm has played a major role in the historiographical disputes over the nature, length, and efficacy of Protestant reform. The fresh perspective of David J. Davis incorporates geography historical use and abuse, popular appeal, size, dimensions and what was represented.

*Hope Rediscovered*—David Atkinson 2019-06-13 Among the many causes of anxiety in today's world are global concerns to do with social and economic inequality, the importance of sustainable development, and climate change. These raise human—that is moral and spiritual—questions about who we are, our destiny, how we can be helped to flourish, and what we hope for. Hope Rediscovered is about being re-oriented in the face of such challenges, Bishop David Atkinson, who has an abiding interest in Christian ethics, pastoral theology and science, has put some key questions to the Gospel of John—a text which says much about human flourishing, and which draws on the Wisdom themes of the Hebrew Bible, about misunderstanding our place in creation, and about practical living. Like his followers, Jesus was beset with conflicts within ‘the world’. The first century Christian community, to which the Gospel was addressed, discovered how to live hopefully in the way of Wisdom, energized by God’s Spirit. The focus of this timely book is deep practical wisdom for a troubled world.

The Works of John Wesley: First series of sermons continued, second series begun (through 86): John Wesley 1872

The Works of John Wesley, Volume 2: Wesley, John 2015-09-03 The works of John Wesley have been treasured for many years, and we are pleased to offer this 141-sermon set in three volumes. These sermons constitute the essential points of his beliefs. Many were published by Wesley himself while others were recovered from his manuscripts after his death. While reading these, you will find that his writings are never dry but maintain a vigor of life about them while maintaining a scriptural balance. He strived to reach the everyday man and bring him a living gospel, and this intent is spread throughout his sermons. While Wesley had originally intended to publish a three-volume series, he went on to add a fourth. He desired to reach a larger audience with these printed works than he could with his daily sermons in person, and there was also a particular demand for them. The four books are comprised of approximately 44 sermons and are contained in volume I of this printing. In 1746, he had published the first book of this projected work, entitled Sermons on Several Occasions. He later went on to add another nine sermons to the series. The subsequent books were released in 1748, 1750, and 1760, respectively. It is important to note that these are by no means the whole of Wesley's written sermons; they were merely selected by him for the Christian reader as a kind of standard for his belief of many of the principal points of Christian doctrine, and have since become known as the standard sermons. In his preface to volume I, Wesley himself wrote, "I have accordingly set down in the following sermons what I find in the Bible concerning the way to heaven; with a view to distinguish this way of God from all those which are the inventions of men. I have endeavored to describe the true, the scriptural, experimental religion, so as to omit nothing which is a real part thereof, and to add nothing thereto which is not." (Sermons on Several Occasions, Volume I, Preface) For fifty years, Wesley had also written numerous sermons and published them in local magazines, many of which were printed in cities across England such as London, Bristol, Dublin, and Newcastle upon Tyne. With these sermons being placed in the hands of so many printers, it was inevitable that they would be printed in a combined publication, which was often the case. Because of this, in his advancing age, Wesley decided that he should undertake a reprinting of all of his works, enabling him to revise all of his works carefully and also to correct any errors that had arisen. In his collected works he elected to print his sermons, commentaries, notes, journals, and more, producing an impressive thirty-two duodecimo volumes, the first being published in 1771 and
the last in 1774. In the set of sermons that comprised those of the "model deed" included nine additional lectures that were not previously published, bringing the total to 53. These 53 lectures have are in the first volume of this series.

**The Writings of John** C. Marvin Pate 2011-01-04 The writings of John are some of the most foundational New Testament documents for today’s Christians. Most evangelical teaching about the life of Jesus begins with the Gospel of John, and Christian teaching on the end times relies heavily on the book of Revelation. Students, pastors, and lay learners need solid, up-to-date resources like this book to responsibly study and understand John’s writings. C. Marvin Pate addresses John’s writings according to their logical divisions: the Gospel of John, the Johannine Epistles, and Revelation. Each section includes a thorough introduction to relevant interpretive issues, including historical background, cultural setting, and theological context. Pate presents a two-fold historical setting for John’s gospel, encouraging readers to consider the text from the perspective of Jesus’ day and from John’s situation in Asia Minor sixty years later. He examines the Johannine epistles on issues like authorship, audience, and theological perspective. For the Apocalypse, Pate explores the challenges of John’s first readers, the nature of apocalyptic literature, and the Roman imperial cult, including as well an explanation of how the church has interpreted Revelation over the years. With its thorough discussion, textbook design and four-color interior, The Writings of John sets the standard for introductory texts on biblical books or collections.

**Idol Worship In Christianity** Ernestine D Motouom 2020-12-12 "Dear children, keep yourselves from idols." (1 John 5:21) Despite this clear commandment, Christian denominations continue to worship idols and follow rituals that do not originate from the Bible. How has the flock wandered so far away from the word of God? Has it intentionally been led astray? In her book Idol Worship in Christianity, Ernestine D Motouom talks about her experiences as a Catholic votary and the realignment of her faith as a born-again Christian. She discusses the gradual corruption of Christian faith through the adoption of pagan practices put forth or initiated by the great apostate and emancipator Nimrod, the grandson of Noah, right after the flood. In Idol Worship in Christianity, she, in the light of the Bible, highlights the true meaning of worship.
