The Jungles of Arkansas - Bob Lancaster 1989

When H. L. Mencken wrote about "the miasmatic jungles of Arkansas," he was referring to the relative obscurity and uncertain image that Arkansas has enjoyed—or suffered from—throughout its history. In these entertaining and sometimes quirky essays, Lancaster sheds light on that image by analyzing the stereotypes that have characterized the state since its very beginning.

Arkansas/Arkansaw - Brooks Blevins 2010-06-01

What do Scott Joplin, John Grisham, Gen. Douglas MacArthur, Maya Angelou, Brooks Robinson, Helen Gurley Brown, Johnny Cash, Alan Ladd, and Sonny Boy Williamson have in common? They’re all Arkansans. What do hillbillies, rednecks, slow trains, bare feet, moonshine, and double-wides have in common? For many in America these represent Arkansas more than any Arkansas success stories do. In 1931 H. L. Mencken described AR (not AK, folks) as the “apex of moronia.” While, in 1942 a Time magazine article said Arkansas had “developed a mass inferiority complex unique in American history.”

Arkansas/Arkansaw is the first book to explain how Arkansas’s image began and how the popular culture stereotypes have been perpetuated and altered through succeeding generations. Brooks Blevins argues that the image has not always been a bad one. He discusses travel accounts, literature, radio programs, movies, and television shows that give a very positive image of the Natural State. From territorial accounts of the Creole inhabitants of the Mississippi River Valley to national derision of the state’s triple-wide governor’s mansion to Li’l Abner, the Beverly Hillbillies, and Slingblade, Blevins leads readers on an entertaining and insightful tour through more than two centuries of the idea of Arkansas. One discovers along the way how one state becomes simultaneously a punch line and a source of admiration for progressives and social critics alike.

Arkansas in Modern America Since 1930 - Ben F. Johnson 2019

"Arkansas in Modern America since 1930 represents a significant rewriting of and elaboration on the earlier Arkansas in Modern America, published in 2000. This book offers an overview of the factors
that moved Arkansas from a primarily rural society to one more in step with the modern economy and perspectives of the nation as a whole. The narrative covers the roles of Bill Clinton, Daisy Bates, Sam Walton, Don Tyson, and other influential figures in the state's history, placing them in the context of women's movements, music and literature, religious influences, environmental trends, and other important cultural phenomena"--

**The Arkansas Delta**-Williard B. Gatewood Jr. 1996-12-01 Emerges is a rich tapestry of dichotomies that is the Delta - a land of black and white, of wealth and poverty, of progress and stasis, of despair and hope - in which all that is dear and terrible about this often overlooked region of the South is revealed.

**The Companion to Southern Literature**-Joseph M. Flora 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature, but this is the first companion. Neither a survey of masterpieces nor a biographical sourcebook, The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre-Columbian era to the present, referencing specific works of all periods and genres. Top scholars in their fields offer original definitions and examples of the concepts they know best, identifying the themes, burning issues, historical personalities, beloved icons, and common or uncommon stereotypes that have shaped the most significant regional literature in memory. Read the copious offerings straight through in alphabetical order (Ancestor Worship, Blue-Collar Literature, Caves) or skip randomly at whim (Guilt, The Grotesque, William Jefferson Clinton). Whatever approach you take, The Companion’s authority, scope, and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South, and “Sahara of the Bozart.” As up-to-date as grit lit, K Mart fiction, and postmodernism, and as old-fashioned as Puritanism, mules, and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state’s belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South’s lavishly rich literature provides the best means of understanding the region’s deepest nature, and The Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge. Description of Contents 500 lively, succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors, including scholars, writers, and poets 2 tables of contents — alphabetical and subject — and a complete index A separate bibliography for most entries

**Carry the Rock**-Jay Jennings 2010-09-14 In 1957, nine African American teenagers faced angry mobs and the resistance of a
The bravery of the Little Rock Nine, as they became known, captured the country's imagination and made history but created deep scars in the community. Jay Jennings, a veteran sportswriter and native son of Little Rock, returned to his hometown to take the pulse of the city and the school as the fiftieth anniversary of the integration fight approached. He found a compelling story in the school's football team, where black and white students came together under longtime coach Bernie Cox, whose philosophy of discipline and responsibility and punishing brand of physical football know no color. A very private man, Cox nevertheless allowed Jennings full access to the team, from a preseason program in July through the Tigers' final game in November. In the season Jennings masterfully chronicles, the coach finds his ideas sorely tested in his attempts to unify the team, and the result is a story brimming with humor, compassion, frustration, and honesty. Carry the Rock tells the story of the dramatic ups and downs of a high school football season, and it reveals a city struggling with its legacy of racial tension and grappling with complex, subtle issues of contemporary segregation. What Friday Night Lights did for small-town Texas, Carry the Rock does for the urban south and for any place like Little Rock, where sports, race, and community intersect.

**Hillbilly** - Anthony Harkins 2005 In this pioneering work of cultural history, historian Anthony Harkins argues that the hillbilly-in his various guises of "briar hopper," "brush ape," "ridge runner," and "white trash"-has been viewed by mainstream Americans simultaneously as a violent degenerate who threatens the modern order and as a keeper of traditional values of family, home, and physical production, and thus symbolic of a nostalgic past free of the problems of contemporary life. "Hillbilly" signifies both rugged individualism and stubborn backwardness, strong family and kin networks but also inbreeding and bloody feuds. Spanning film, literature, and the entire expanse of American popular culture, from D. W. Griffith to hillbilly music to the Internet, Harkins illustrates how the image of the hillbilly has consistently served as both a marker of social derision and regional pride. He traces the corresponding changes in representations of the hillbilly from late-nineteenth century America, through the great Depression, the mass migrations of Southern Appalachians in the 1940s and 1950s, the War on Poverty in the mid 1960s, and to the present day. Harkins also argues that images of hillbillies have played a critical role in the construction of whiteness and modernity in twentieth century America. Richly illustrated with dozens of photographs, drawings, and film and television stills, this unique book stands as a testament to the enduring place of the hillbilly in the American imagination. Hillbilly received an Honorable Mention, John G. Cawelti Book Award of the American Culture Association.
Arkansas Libraries- 1990

Arkansas in Modern America, 1930-1999- Ben F. Johnson, III 2014-04-22 This elegantly written narrative traces Arkansas's evolution from a primarily rural society in the early 1900s to its expanding manufacturing economy and its growing prosperity and parity with the rest of the nation. Ben Johnson explores the influence of federal-state relations, beginning with the New Deal programs of President Franklin Roosevelt and continuing through the administrations of native son Bill Clinton. With particular sensitivity, he examines organized labor in the timber industry and in row crop agriculture; school desegregation, "white flight," and the private academy movement in the delta region; the growth of Wal-Mart and the poultry industry in the northwest section of the state; and the expansion of outdoor recreation and tourism as lakes were constructed and game populations rejuvenated. This book is particularly impressive for the breadth of its scope. Johnson offers detailed information on women, music and literature, organized religion, environmental trends, and other important cultural influences. Third in the popular Histories of Arkansas series, Arkansas in Modern America extends the narrative into the contemporary era with a format aimed at students and general readers. This important book will set the standard, for years to come, for analysis and interpretation of Arkansas's place in the twentieth century.

America, History and Life- 2002 Article abstracts and citations of reviews and dissertations covering the United States and Canada.

Forests and the Arkansas Economy- 1981

The Role of Arkansas Forests in the State's Economy- Frank H. Troutman 1974

Whitaker's Book List- 1989
Reading Hunting Arkansas is like walking alongside acclaimed Arkansas outdoorsman and writer Keith Sutton as he searches for the elusive woodcock in bottomland timber near the L'Anguille River, stalks deer across farmland, or treks through woodlands hunting black bears. Sutton weaves hunting know-how with personal stories and histories of various regions to produce this book telling you when, where, why and how to hunt in the Natural State.

"The Ordeal of the Jungle" boldly revises previous scholarship regarding Chicago's labor movement in the World war I era. It examines the failures of the Chicago Federation of Labor to build a progressive, interracial organization. Following failed strikes and a tumultuous time, the Chicago Race Riot of 1919 shattered the CFL's tenuous interracial alliance."--Provided by publisher.

The massacre at Mountain Meadows on September 11, 1857, was the single most violent attack on a wagon train in the thirty-year history of the Oregon and California trails. Yet it has been all but forgotten. Will Bagley’s Blood of the Prophets is an award-winning, riveting account of the attack on the Baker-Fancher wagon train by Mormons in the local militia and a few Paiute Indians. Based on extensive investigation of the events surrounding the murder of over 120 men, women, and children, and drawing from a wealth of primary sources, Bagley explains how the murders occurred, reveals the involvement of territorial governor Brigham Young, and explores the subsequent suppression and distortion of events related to the massacre by the Mormon Church and others.
Whitaker's Books in Print- 1990

From Hope to Higher Ground-Mike Huckabee 2007-09-03 With the small but powerfully inspiring word "hope," nationally recognized leader and policy-maker Governor Mike Huckabee points out that progress for our country cannot happen with the continued bipartisan rift dividing it. He

Out of the Jungle-Thaddeus Russell 2003 "[T]he Teamsters, the largest A.F.L. affiliate... has been understudied... Russell's motives in seeking to redress this imbalance are certainly commendable." ?Maurice Isserman, The New York Times Book Review"[A] well-researched study of the longtime Teamsters leader...[that] could put Hoffa back on the historical map for a new generation of students of labor history." ?Publishers Weekly "An unexpectedly enthralling account of Jimmy Hoffa's tactics and aspirations... Russell's history of the Teamsters under Hoffa illustrates the vibrancy of the labor movement?for better or worse?during the middle 50 years of the 20th century." ?Kirkus Reviews "In this gripping biography of Jimmy Hoffa... Thaddeus Russell launches a vigorous attack on the reigning orthodoxy in labor history." ?David L. Chappell, Newsday "Russell bravely challenges the received wisdom of the left, the right, and the morally earnest center. If you want to get serious about the real meaning of class in the last century, read this gracefully yet powerfully argued book." ?Nelson Lichtenstein "Out of the Jungle delivers a much-needed and more nuanced understanding of a tumultuous period in the history of...the nation." ?John Gallagher, Detroit News/Free Press "...strongly recommended reading." ?The Midwest Book Review's Bookwatch

Igloos in the Jungle-Brian Watson 2012-03-22 Go along with the Colonel on this nostalgic trip back to the 1950's and life growing up in the Midwest. Follow him on his solo trek across Europe and the year that made him a man in the Aviation Cadet Program. Next it's many a day in Vietnam over the course of the war and the hardships faced by the aviators and their families on a daily basis. Life in the "fast lane" or five years in the Pentagon gives the reader a close look at the many challenges faced by the Staff Officer in the "building". Finally, the harrowing experience of life in a high school classroom for 19 years caps off the interesting adventure. Lt. Col. Watson amassed almost 5,000 hours flight time with 1,300 of it being combat time in Vietnam. He was "in country" for over 500 days covering parts of 1965,1966,1968,1969,1970,1971,1972, and 1973.He was decorated 39 times including the Legion of Merit, the Distinguished Flying Cross, the Defense Meritorious Service Medal, 12 Air Medals, 2 Commendations Medals, and the Vietnam Cross of Gallantry just to mention a few. His travels took him north of the Arctic Circle to the southernmost tip of South America, all over Europe and the Far East with stops in 68 countries on 6 continents. Sit back, relax, and enjoy this most interesting story of an Air Force Officer and his
travels in support of our national interests.

**Guerrillas in the Industrial Jungle**- Ursula McTaggart 2012-03-16 Examines the metaphors of the “primitive” and the “industrial” in the rhetoric and imagery of anticapitalist American radical and revolutionary movements.

**Kiplinger's Personal Finance**- 1951-07 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

**Library Journal**- 1989

**Congressional Record**- United States. Congress 1951 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

**Paperbound Books in Print**- 1992

**Choosing to Live**- Davey Du Plessis 2013-11-15 Two months into a solo source-to-sea navigation of the Amazon river, adventurer, Davey du Plessis, was ambushed and shot within the isolated jungles of Peru. The adventure turned into an intense moment-to-moment struggle to survive as he made his way, wounded, through the dense jungle, seeking rescue and safety. Choosing To Live is Davey's personal account of his Amazon experience. He retells the remarkable story with an endearing openness, while sharing unique insights into the power of compassion and his ability to maintain motivation in his balance between life and death.

**Encyclopedia of Arkansas**- Nancy Capace 1998-01-01 The Encyclopedia of Arkansas contains detailed information on States: Symbols
and Designations, Geography, Archaeology, State History, Local History on individual cities, towns and counties, Chronology of Historic Events in the State, Profiles of Governors, Political Directory, State Constitution, Bibliography of books about the state and an Index.

**Jungle Animals**-Jane Wilsher 2021-06 Take a hike through the world’s rainforests and spot more than 200 wild, colorful, peculiar, and marvelous jungle animals—without ever leaving your own bedroom! Grab your binoculars, put on your leech-proof boots, and get ready for some animal spotting! Get up close to jaguars and sloths, swim with manatees and piranhas, and watch a bird of paradise show. The imaginative narrative will make you feel like you are actually there. The stunning artwork will show you every detail. Packed with incredible illustrations, special features, fact boxes, and conservation highlights, this is the perfect gift for budding zoologists and wild explorers everywhere.

**Books in Print**- 1991

**Jungle Fighters**-Jules Archer 2016-01-19 In the early stages of the Pacific War, General Douglas MacArthur was expected to prevent the Japanese from taking Australia. With limited forces, MacArthur had to be tactical, and the key to the continent’s defense was the island of New Guinea, just above the northeast tip of Australia. In order to defend New Guinea, MacArthur sent a small task force to Milne Bay, where the Coral Sea rounded the southeast tip of the island. His plan: to establish an airfield base for bomber and fighter planes that could attack enemy invasion convoys as they rounded the tip of New Guinea to attack Australia. In the fall of 1941, at the age of twenty-six, Jules Archer joined the US Armed Forces. A few months later, he joined MacArthur as a member of the small task force being sent to New Guinea. With good reason not to expect to return alive, Archer and his troop were plunged into a new kind of war. They fought in a jungle among a primitive Melanesian people, some tribes of which were headhunters. For nearly four years they endured in the distant jungle. This is an inside look at one of the lesser-known stories of one of the worst wars the world has known. It’s a story of the absurdities, fears, camaraderie, and even humor of life as a wartime solider.

**Is There a Southern Political Tradition?**-Raymond Arsenault 1996 A mixed answer from a company of scholars who survey the spectrum of southern politics & politicians.
Aero Digest - 1946

Selfless  Sr. Immolata Reida 2013-05-15 Selfless is the story of Sister Theophane, a passionate, driven nun dedicated to serving the poor around the world. Discover the inspiring story of how a precocious young girl from upstate New York became a servant and apostle to the poor in the jungle missions of Papua New Guinea, and, eventually, a prisoner of the Japanese in World War II. "Selfless: The Story of Sr. Theophane's Missionary Life in the Jungles of Papua New Guinea" was written in 1946 by a fellow sister of the Holy Spirit Missionary Sisters, but it is just now being published for the first time. Long held in anonymity, Sr. Theophane's amazing life of service and apostolic zeal is now finally being revealed to the world. Her story is a breathtaking tale that will inspire a new generation of Catholics to heed the call of service to Christ and others.
