Robert Rand Blumen 1990

American Literature in Context provides wide coverage of authors, works, genres, and movements that are emblematic of the diversity of modern America. Not only are major literary movements represented, such as the Beats, but this work also highlights the emergence and development of modern Native American literature, African American literature, and other representative groups that showcase the diversity of American literature.

Great American Writers

David Sanders 1991 In this revised edition of the 1967 Twayne volume, Sanders sees The Call (1985) as the
discussion of Hersey's career, since it draws on autobiographical themes and marks a stand against which his earlier works in fiction and journalism should be measured. Discussing Hersey's early career as a correspondent as well as his major volumes of fiction and nonfiction in chronological order, Sanders makes a persuasive case for Hersey as an important figure among writers who have experimented with journalism and the novel. He includes a chronology, a comprehensive bibliography of Hersey's works and a variant, annotated bibliography of writing about Hersey.
